

Transition update: Cohort Management System (CMS) to retire

August 23, 2011

ECMC is preparing to convert the 706 (ECMC-CA) loan data from EdFund’s FAPS system to ECMC’s system. As a subscriber to the CMS, below are the changes to this service resulting from the data conversion.

If you have any questions about the transition, please contact ECMC at 1-866-222-2680 or SchoolServices@ecmc.org.

Cohort Management System (CMS)			
As we previously communicated, the CMS will be retired in conjunction with the conversion of data from EdFund’s system (FAPS) to ECMC’s system. Below is information to prepare for the decommission of CMS on October 28, 2011.			
Process	Description	Effective date	Action required
Simulated Cohort Report	Obtaining a final Simulated Cohort Report	October 8-28, 2011	Log on to CMS and request this report through the <i>Reports</i> tab.
Data extract from CMS	Obtaining a final data extract from CMS	Request by November 30, 2011	To receive a data extract from CMS, send a request to StudentSuccess@ecmc.org. Include your name, institution name, OPEID and phone number.  The data extract will include CMS contact history, including recent demographic data and borrower contact information.
