

## Lender/servicer FAQs for the New Mexico Student Loan Guarantee Corporation (NMSLGC) guarantor portfolio transfer to Educational Credit Management Corporation (ECMC)

May 12, 2025

As you may be aware, the U.S. Department of Education approved the transfer of the guarantee of the New Mexico Student Loan Guarantee Corporation (NMSLGC) Federal Family Education Loan Program (FFELP) portfolio to a different FFELP guarantor. Effective August 1, 2025, Educational Credit Management Corporation (ECMC) will be designated as the guarantor of the FFELP portfolio, previously held by NMSLGC.

The transition of the NMSLGC portfolio is scheduled to begin on August 1, 2025, with an anticipated completion date of August 4, 2025. As noted throughout, there are a few processes and files that will need to be re-directed to ECMC as early as July 29, 2025. Upon completion of the transfer, ECMC will perform all services as the guarantor.

Guarantor Code Change

Yes. The former NMSLGC portfolio will be identified using the ECMC guarantor code of 951. This change will take place on August 4.

Claims

**When should NMSLGC claims be sent to ECMC?**

**Beginning June 19, all default claims** and related documents, partial discharge requests and supplemental claims, should be sent to ECMC. ECMC will hold these claims until the transition is complete. ECMC will then begin processing these claims and ensure they are paid timely.

**Beginning July 1, all specialty claims (death, disability, bankruptcy)** including Teacher Loan Forgiveness requests and related documents should be sent to ECMC. ECMC will hold these claims until the transition is complete. ECMC will then begin processing these claims and ensure they are paid timely.

**During the transition period—June 19 through August 4—will claims be paid?**

NMSLGC will be responsible for paying specialty claims submitted to them prior to July 1 and for paying default claims submitted to them prior to June 19. Claims submitted to ECMC will be held until the transition is completed on August 4.

**Where should claim recall requests be submitted?**

For claims submitted to NMSLGC prior to June 19 (default) and July 1 (specialty), the recall requests should be sent to NMSLGC as they are today. For claims submitted to ECMC on or after June 19 and July 1, respectively, the recall requests should be sent to ECMC.

**How will the claim recall process work during the transition if the claim is not loaded until the transition is completed?**

ECMC recalls will be processed after the transition is completed. Recalls on claims should be submitted to [ClaimsRecall@ecmc.org](mailto:ClaimsRecall@ecmc.org).

**For claims submitted on or after June 19 (default) and July 1 (specialty) to ECMC, how will the guarantor and servicers track receipt dates and what will be used as confirmation of receipt?**

ECMC will acknowledge the receipt of the claim(s) by returning the transmittals back to the lender/servicer via fax or secure email.

**Who at ECMC should we contact regarding NMSLGC claims?**

Please contact Yolanda Jones at [yjones@ecmc.org](mailto:yjones@ecmc.org) or 651-325-3355.

**Backup Manifests for Forwarded Payments**

**Where should backup manifests be sent for forwarded payments?**

Beginning July 30, email backup manifests to [AgencyAccounting@ecmc.org](mailto:AgencyAccounting@ecmc.org) to ensure timely and accurate posting to NMSLGC borrower accounts.

**Electronic File Transmissions (CAM, Lender Manifest)**

**\*\*\*PLEASE NOTE: This directive was successfully introduced as part of a previous ECMC conversion in 2023\*\*\***

**Should the servicer submit CAM and Lender Manifest files to ECMC?**

ECMC requests that NMSLGC CAM and Lender Manifest files be HELD by the servicer from July 29, 2025, until the conversion is completed on August 4, 2025.

**When should the servicer begin submitting NMSLGC CAM and Lender Manifest files to ECMC?**

The servicer begins sending CAM and Lender Manifest files to ECMC on August 4.

**When should the servicer change the guarantor code from NMSLGC to ECMC on the CAM and Lender Manifest files?**

The servicer may update the guarantor code from 735 (NMSLGC) to 951 (ECMC) any time on or after August 4, 2025. The servicer may keep records on their system under the 735 (NMSLGC) code until they have completed reconciliation.

ECMC will process the incoming files received with guarantor code 735 (NMSLGC) as 951 (ECMC) records. Please be aware that the response files will have guarantor code 927 (ECMC) as the guarantor code.

**What transmission file names should be used when sending files to and from ECMC?**

ECMC adheres to the NCHER industry standard naming convention specific to the file type for electronic file processing.

**We have more CAM record types in production with ECMC than with NMSLGC. Can we automatically begin processing the additional record types with ECMC?**

Once you begin sending the CAM files to ECMC on August 4, you may include additional record types. The records will be automatically included with the same record types you are producing to ECMC.

**CAM Claims (50 Series) Processing****As a lender/servicer, we currently have CAM Claims set up with ECMC. Can we send our NMSLGC claims to ECMC using CAM?**

Please contact Yolanda Jones at [yjones@ecmc.org](mailto:yjones@ecmc.org) or 651-325-3355 for your agency's specific requirements or any questions you may have.

**Manual Loan Maintenance Updates****Where do I submit manual loan transaction updates (e.g., loan status changes, cancellations, lender/servicer changes, etc.)?**

Send any manual loan transaction updates via secure email to [lenderservices@ecmc.org](mailto:lenderservices@ecmc.org). NMSLGC will be handling manual updates through July 29.

**Default Aversion****How will updating DAARs be affected?**

The lender/servicer will update the guarantor code to 951 on the former 735 portfolio on August 4. The former NMSLGC portfolio will then be automatically included in the existing ECMC CAM and Manual DAAR processes. The CAM DAARs will be processed in the order they are received, beginning on August 4. Also on August 4, ECMC will begin processing the manual DAARs in the order they were received.

**Where should we submit our manual DAAR requests?**

Beginning July 30, please submit manual DAAR transactions to ECMC via secure email to [PredefaultProcessing@ecmc.org](mailto:PredefaultProcessing@ecmc.org).

**Will manual DAARs be processed in the order they were received? What date will be used for processing the files?**

Manual DAARs will be processed in the order received and the receipt date will be used to load these files onto ECMC's system after the data conversion is complete.

**Will ECMC acknowledge receipt of all manual DAARs submitted to the PredefaultProcessing@ecmc.org mailbox?**

Yes, ECMC will complete the transmittal form after the DAAR is processed and reply via secure email.

**If we are approaching a borrower's 120th day of delinquency, how do we ensure there will be no penalties assessed to the lender/servicer if the DAAR transaction is not processed on ECMC's system by the 120th day of delinquency?**

Transactions/files will be processed using the receipt date for the transaction/file. For example, if a DAAR is received on the 117th day of delinquency, but not loaded onto the system until the 125th day of delinquency, there will be no penalty because the date of receipt will be reflected (117th day of delinquency). This also applies to manually submitted DAARs.

**Will ECMC identify whether a CAM file transmission was not received during the “hold” period?**

CAM files are generated by the lender/servicer; the lender/servicer is responsible for reconciling the file acknowledgment and accepted/rejected transactions to ensure files were received and processed.

**Will ECMC accept a CAM record/file as proof that the DAAR was sent on time?**

If it is necessary to verify the date of receipt of a DAAR, ECMC will assist the lender/servicer in researching and confirming the actual receipt date of the file/transaction.

**When should an NMSLGC DAAR cancellation be submitted to ECMC?**

Lenders/servicers should submit NMSLGC DAAR cancellations to ECMC when the loan becomes zero days delinquent.

### **Bankruptcy Court Proof of Claim Protocol**

**Is there a new protocol for filing a proof of claim with a bankruptcy court on former NMSLGC borrowers?**

As you know, the lender/servicer must file a proof of claim with the bankruptcy court no later than 30 days after it receives the Notice of the First Meeting of Creditors (Notice)—unless the Notice specifically stated that a proof of claim is not required.

Beginning July 1, all bankruptcy claims should be sent to ECMC, as the new guarantor of the former NMSLGC portfolio. When filing the proof of claim with the court for former NMSLGC borrowers, the following ECMC guarantor information should be used for both the Notice and payment address:

Bankruptcy notices:

ECMC

P.O. Box 16408

St. Paul, MN 55116-0408

Bankruptcy payments:

ECMC Lockbox #8682

P.O. Box 16478

St. Paul, MN 55116-0478

For the proof of claims already filed with the court using the old address, ECMC will process the bankruptcy claims and then submit a notice of assignment with the court.

If you have questions regarding the proof of claim filing, please contact Yolanda Jones at [yjones@ecmc.org](mailto:yjones@ecmc.org) or 651-325-3355.
