

## ECMC

### Persist in Higher Education

Persist in Higher Education is geared toward college students who need extra support to achieve their education goals and persist through college. The Persist in Higher Education program supports educators in helping students adjust to college, focus on their goals, overcome barriers and navigate all aspects of college life.

Thousands of educators and community organizations have learned engaging, innovative ways to put our curricula to work during free, full-day workshops.

### About the Workshops

Our highly interactive training environment includes:

- Innovative applications for curricula implementation
- Experiential, game-based techniques for teaching fundamentals
- Facilitation by professional trainers

### What You Will Learn

- How to challenge your students to see themselves in college
- Eye-opening information about the economic value of college
- Simple, relatable ways to explain financial aid and budgeting
- How to incorporate our curricula into existing programs

### About ECMC

At ECMC, we help students succeed. We work to lower student loan default rates; sponsor college access and success initiatives, and financial literacy programs; and provide resources to support student loan borrowers to successfully repay their loans.
