

# Ds

## Debt Summary

### Annual Debt Summary Review

Providing personalized borrowing information at the right time leads to smarter borrowing in the future.

# 97.9%

of students surveyed do not know which loans accumulate interest\*

#### Elements

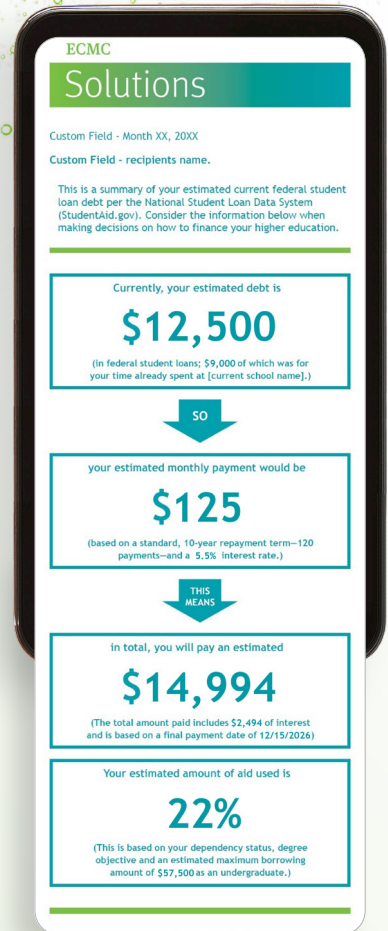

##### How we help your students:

- Provide personalized annual student loan summary information
- Access in mobile-ready, easy-to-understand format
- Encourage smart borrowing and decision making
- Provide federal student loan information in aggregate to support decisions throughout college
- Provide early education on interest and payments to prepare for successful repayment
- Promote NSLDS access

##### How we help you:

- Supplement your current student success strategies
- Free up your valuable resources
- Support retention and smart borrowing, leading to healthy cohort default rate (CDR) and repayment rates
- Select from multiple Debt Summary Review templates
- Report statistics to understand more about your students

Debt Summary Review provides clear-cut personalized information that engages students and encourages positive borrower behaviors.
