ECMC is committed to the success of all students, regardless of their immigration status. In this changing economy, skills and qualifications that are obtained through education beyond high school are becoming more important to earning a family-wage job. We’ve gathered some resources to help guide you through the process of accessing and succeeding in college as an undocumented student in Minnesota.

In-state tuition equity

Undocumented students can receive in-state tuition and state financial aid in Minnesota through the Minnesota Dream Act (also known as the Prosperity Act). If undocumented students are not eligible for the Minnesota Dream Act, there are several colleges and universities in the state of Minnesota that offer in-state tuition, regardless of a student’s immigration status or residence.

For a list of colleges that offer in-state tuition to all students, visit the Minnesota Office of Higher Education’s website at www.ohe.state.mn.us/sPages/TuitionChart.cfm?State=MN&pageID=101.

Minnesota Dream Act

The Minnesota Dream Act provides certain benefits to undocumented students who meet the following criteria:

- Attended a Minnesota high school for at least three years
- Graduated from a Minnesota high school or earned a GED in Minnesota
- Registered with the U.S. Selective Service (males 18 to 25 years old only)
- Provide documentation to show they have applied for lawful immigration status but only if a federal process exists for a student to do so (does not include applying for Deferred Action for Childhood Arrivals (DACA)); there is not a federal process in place, so this documentation is not currently required

Students who meet this criteria will be eligible for the following benefits:

- Eligibility for in-state tuition rates at participating public colleges and universities
- Availability of state financial aid to students who meet state residency requirements
- Accessibility to privately funded financial aid through public colleges and universities

The Minnesota Dream Act application and additional details can be found at www.ohe.state.mn.us/mPg.cfm?pageID=2056.

Other MN aid options

Eligible DACA students with work authorization and Social Security numbers can be considered for the State Work Study Program, which allows students to earn money working on campus.

(Continues on back)
Eligible Minnesota Dream Act students can also apply for a Postsecondary Child Care Grant. This need-based grant is for students with children in child care while they attend school. Details can be found at [www.ohe.state.mn.us/mPg.cfm?pageID=348](http://www.ohe.state.mn.us/mPg.cfm?pageID=348).

Minnesota Dream Act and qualifying DACA students will also be eligible for tuition reciprocity benefits to attend a public college or university in North Dakota, South Dakota or Wisconsin.

Any undocumented student can apply for a state SELF Loan, a long-term, low-interest student loan. A SELF Loan does not require the student borrower to have legal status, but does require a co-signer who is a U.S. citizen or eligible non-citizen—up to $20,000 with a credit-worthy co-signer. For more information, visit [www.selfloan.state.mn.us/](http://www.selfloan.state.mn.us/).

## Scholarships

There are many scholarship providers who are interested in helping students, regardless of their immigration status. The following resources have scholarships, both nationally and Minnesota-based, that undocumented students may be eligible for:

- [www.goldendoorscholars.org](http://www.goldendoorscholars.org)
- [www.ohe.state.mn.us/mPg.cfm?pageID=1586](http://www.ohe.state.mn.us/mPg.cfm?pageID=1586)
- [http://www.studentsunited.org/scholarships](http://www.studentsunited.org/scholarships)
- [https://immigrantsrising.org/resources/](https://immigrantsrising.org/resources/)
- [www.thedream.us/scholarships](http://www.thedream.us/scholarships)
- [www.maldef.org/resources/scholarship-resources/](http://www.maldef.org/resources/scholarship-resources/)
- [http://scholarshipsaz.org/scholarships](http://scholarshipsaz.org/scholarships)
- [https://getschooled.com/article/1320-scholarships-for-undocumented-dacamented-students-get-that-money/](https://getschooled.com/article/1320-scholarships-for-undocumented-dacamented-students-get-that-money/)

You may also do your own online scholarship search using terms such as "non-need based," "merit-based" or "no FAFSA required."

## Help yourself

Postsecondary Enrollment Options (PSEO) allows high school students in grades 10-12 to earn college credit while still in high school. Students can earn both college and high school credits by successfully completing the course(s).

Postsecondary institutions do not charge PSEO students for tuition, textbooks or support services. These are some of the cheapest college credits you will ever earn.

## Keep your grades up

Make yourself a competitive candidate for college admissions and scholarship applications by keeping your grades up, taking challenging classes and participating in extracurricular activities. Some highly selective private colleges and universities offer very generous financial aid packages to outstanding high school students, regardless of immigration status. The more comprehensive your application is, the more options you will have for your education beyond high school.
